	AUTUMN TERM	SPRING TERM	SUMMER TERM
General aim of our Music at KS1: In KS1, children should be building their confidence through a range of musical performance opportunities. The children are encouraged to express themselves musically as soloists and in a group and this is achieved through discrete classroom music lessons as well as key stage and whole school activities. Expressing themselves creatively in this way helps build children's confidence in music and provides a strong foundation for KS2 and beyond.
